How long have you been coaching?

I have been coaching for five years full time.

How did you get into coaching?

I got into coaching as I played professional golf for 12 years, playing on the ladies European tour, the Asian tour and the mini tour in the USA. After finishing my playing career I decided to take a geography degree. I had taken my coaching qualifications whilst playing on tour. I decided to get back into golf and coach 5 years ago and rejoin the PGA.
