

Safeguarding and Protecting Children

Cost £10

The workshop aims to increase the awareness of safeguarding and protecting children and help coaches to recognise the signs of abuse and poor practice, and deal sensitively and effectively with issues that arise. It also prompts a review of practice to ensure that sport provides a positive and enriching experience for children, and that your behaviour is always above reproach.

By the end of this workshop, coaches will be able to:

- Identify and recognise good coaching practice and the implications for their coaching
- Explore their values and feelings in relation to child abuse, and recognise their potential impact on coaches' response
- Recognise and respond to the signs and symptoms of child abuse and poor practice
