

### Safeguarding and Protecting Children L2

#### Cost £10

Developed in partnership with the NSPCC's Child Protection in Sport Unit, this workshop is the follow up to Safeguarding and Protecting Children that qualified coaches are expected to attend every three years. Instead of attending the same workshop again, coaches can now reinforce and strengthen their understanding of safeguarding without repeating the first workshop. This course deliberately builds upon the practical experience you have already gained in your day-to-day role as a coach; giving you the chance to reflect upon as well as learn from other coaches' experience

By the end of this workshop, coaches will be able to:

- Actively promote a positive and child-centred coaching environment
- Enjoy peace of mind by being fully informed of current national legislation relevant to your role
- Calmly and confidently recognise, make informed decisions about safeguarding children and respond appropriately should you encounter any problematic situations

Venue	Date	Time	Contact Person
Barrow (Hawcoat Park)	Wed 2nd June 2010	5.30pm - 8.30pm	Stuart Meredith T: 01229 844766
