

## School Sports Premium Optimise your budget

The **School Sports Premium** is intended to help primary schools improve the quality of their PE and sports activities for their pupils.

At Sport & Play, we understand how important the School Sports

Premium funding is and how it needs to be used *effectively*.

Book a **free assessment** with one of our experienced PE and qualified teaching specialists to get the most out of your budget. We are your **local advice centre** for any guidance at any time!

Our assessment process will help to identify areas that most need developing in PE, whether it is equipment, essential Health and Safety or CPD. You will receive a **detailed report** and a **free audit** of your PE equipment and facilities.

There are **no obligations** to buy any products.

**In our free official recommendation report we will advise you on equipment and products that will support your schools' curriculum, interests and talents.**

⇒ Dribble effectively around obstacles. Show precision and accuracy when sending and receiving

⇒ Perform actions, shapes and balances by themselves and within groups that show good control, tension and extension.

⇒ Devise and perform a gymnastic sequence, showing a clear beginning, middle and end

⇒ Respond with creativity, to a range of stimuli using a range of patterns, movement phrases and precise sequences.
