The role of the Local Organising Committee is to arrange a variety of high quality festivals of sport in Cumbria across Primary, Secondary and Special Schools.

The Cumbria Multi-Sport Event is one of those and has become an anticipated annual event which we hope will inspire and motivate both competitors and volunteers who take part.

Today marks the culmination of competitions that have taken place around the six districts within the county with the most successful students gathering for the countywide competition.

As the students compete we hope that everyone has an enjoyable and challenging day and leaves with a passion to continue to participate in a wide variety of Sporting endeavours in the coming years.

Cumbria School Games
Local Organising Committee
DanceCo was founded in 2007 by Dance Teacher Wendy Boothman at St Aidan’s County High School, Carlisle. When the school merged with North Cumbria Technical College in 2008 DanceCo became a popular and important group at the then new Richard Rose Central Academy. The Dance Company have performed at the Dance Factor and Big Dance shows at The Sands as well as at Disney Land Paris and many local events.

Members of the group have gone on to study Performing Arts and many ex members now teach and bring their own groups to perform at Rocket Theatre Groups new show Evolution Dance Fest in Carlisle.

Today’s dancers are from Year 7, 8 and 10 at Central Academy Carlisle.

SPIRIT OF THE GAMES VALUES

The world is a competitive place with challenges and pressures on all our lives to stand out from the crowd or to be successful. What better place to learn then the lessons of what it takes to be your best, to be creative and to accept winning and deal with losing than school sport? The School Games is all about being the best you can be. To help with this, there are a set of values developed by young people called the Spirit of the Games

Keep going no matter what. Determination is about the journey you go on to push yourself and achieve your dreams. Have the mental strength and self discipline to overcome obstacles, commit to your goals and keep working everyday to become the very best you can be. Don’t hold back!

Treating everyone equally, supporting each other and working together to have fun and achieve. Celebrate each other’s success and be a positive team player.

You’ve got to believe to achieve. Have the self-belief and confidence to succeed and reach your personal best.

Be honest with others and with yourself. Have the courage to do the right thing and what you know is right. Let the best person win, not the best cheat!

Giving it 100 per cent. Put your heart and soul into the game and never give up. Passion makes you enter the race and passion makes you finish it.

Treating others politely and with understanding. Accepting life’s ‘ups and downs’ with grace. Respect every day, in everything you do and for everyone around you.
