When processing your personal, special category personal or criminal/law enforcement data, Cumberland Council ('the council') is required under Articles 13 and 14 of the UK General Data Protection Regulation (UKGDPR) to provide you with the information contained in this Privacy Notice.

This notice explains what the council will collect, who it will be shared with, why we need it and how we will use it. The council will continually review and update this Privacy Notice to reflect service changes, feedback from customers and changes in the law.

The council is also required to comply with the data protection principles as laid out in the UKGDPR, to ensure that personal data is:

- processed lawfully, fairly and in a transparent manner
- collected for specific, explicit, and legitimate purposes
- adequate, relevant, and limited to the purposes for which it was collected
- accurate and up to date
- kept for no longer than is necessary for the purpose(s) for which it was collected

About the Service

Travel Actively is a three-year programme to support, encourage and enable people to be more active by cycling, walking and wheeling for everyday journeys. 'Travel Actively' has received £1.5million from the Department for Transport (DfT) Active Travel Social Prescribing Pilot Delivery fund.

The programme will be delivered in the localities of Barrow-In-Furness and Carlisle and will focus on the following groups:

- Older adults
- People with a disability or with a long-term health condition(s)
- People from poorest communities
- People from ethnically diverse backgrounds
- Children and young people
- People socially prescribed or signposted

Through a range of initiatives, Travel Actively will support people to overcome barriers, develop relevant skills and increase confidence. This will result in a positive behaviour change towards people adopting a more active lifestyle by walking, cycling or wheeling for everyday journeys.

Data Controller Arrangements

The Travel Actively Programme is a service managed and delivered by Active Cumbria. Active Cumbria as an unincorporated association will be hosted by Cumberland Council, however it will continue to provide services across the county on behalf of both unitary authorities. Whilst its operative functions will be located with Cumberland Council (pursuant to a novated agency agreement), both authorities will, via the Active Cumbria Advisory Board, have direct involvement in how the services are to be delivered, with Active Cumbria providing the same level of service, and having the same level of integration and connectivity with Westmorland and Furness authority as it will with Cumberland authority. The authorities will therefore act as joint data controllers in respect of any processing of personal data which may be required as a result of the discharge of those functions across both Council areas.
