The sport of hobby horsing in the UK is growing in popularity with a number of clubs offering competitions around the country. Shows have been a sell out with parents and children overwhelmed by the atmosphere and excitement of the competitions.

Here in Cumbria, pony book author, Helen Haraldsen's hobby horse sessions combine the wonder of storytelling with the excitement of showjumping, creating a unique and engaging activity for pupils aged 7 and over.

They offer a fun, non-threatening physical activity while also sparking the imagination of young minds.

Hobby horsing is the perfect way to unite physical and mental well-being. If you're looking for a way to offer your young people a broader range of sports and activities, get in touch.

Helen can offer one-off taster sessions, full-day visits, competitions, sports days and after school clubs.
