Council

Safe **P**arking **P**ledge.

Below are some top tips for **Safe Parking**.

We will always park safely, and never on the zig zag lines, within 10 metres of a junction (unless an authorised space) or on double yellow lines.

We will travel to school on foot, scooter, cycle when it's possible for our family, or park further from the school gates and walk the rest of the way in.

We will not leave engines idling whilst parked.

We will look out for and take care of our fellow school families who are walking and wheeling to school.

We will respect the neighbours of our school by not parking over driveways or on pavements, which can cause access problems for those who need it.
